E-Reader Check-Out Program

The Barnes and Noble Nook is a portable reading device available for loan from the Lakeview Middle School Library. These devices are the size of a paperback book and are capable of holding hundreds of books. The option to borrow these devices is a privilege which requires special permission for students and the cooperation of parents/guardians. For safety's sake we are limiting the use of the e-readers to the school library or the student's home. We particularly do not want students to use them on the bus or on the walk to and from school.

Parent Responsibility and Permission

I give my child _____ permission to borrow a Nook from LMC. I have discussed the responsibility of caring for the e-reader with my child. I will also help ensure the safe and timely return of this device to the library within the one week period. I also understand that the device can be renewed if it is available. I acknowledge that I am responsible to pay the replacement cost of \$150 (this price includes the costs of the NOOK, case, and books on the device) if the device is lost, stolen or broken while in my child's possession.
